

Uncommon Grounds

Incoming Student Workers,

We look forward to seeing you at Uncommon Grounds, the college's on-campus cafe!

Most of our student workers take on 6-8 hours per week, with each shift lasting 2 hours.

Uncommon Grounds is open M-F from 8am to 11pm, and on weekends from 12pm-4pm.

UG provides staff, students, and faculty with both delicious meals and drinks. Morning shift workers can expect to prepare pre-made sandwiches for our grab-and-go selection, as well as take orders at the register and make orders in the kitchen. Lunch/afternoon shifts also come with taking and making orders, as well as restocking/refilling napkins, straws, etc. and cleaning tables. Night shifts include preparing meals and drinks, as well as closing the cafe at the end of the night. Closing shifts involve stocking and cleaning the cafe once patrons leave for the night.

Can't wait to meet you,

Carly, Paige & Julia
