

BRYN MAWR

OFFICE OF FINANCIAL AID

CSS Fee Waiver Application

College policy requires that all students interested in need based financial aid submit the CSS Profile. The College will consider requests for a CSS Profile fee waiver based on financial hardship. The student must provide documentation of income and assets that show the fee waiver will be a financial hardship to the family to be considered for a waiver. Requests based solely on unwillingness to pay the fee are not considered.

If your application for the fee waiver is denied, you will be required to submit the application and pay the fee to be eligible for need based financial aid from Bryn Mawr.
